ProgressBook (Online Student Progress)

Orange County Public Schools desires to provide its students and staff with access to technology tools and information which improve student performance. In keeping with this goal, we have implemented ProgressBook. ProgressBook is an online classroom information tool for teachers, students, and parents. You and your student now have access to up to the minute homework, attendance, and grading information for each of your student's classes. To access ProgressBook, you will need to have an active Internet connection and have a web browser (preferably Internet Explorer 5.0 or higher) open. The web site for ProgressBook is: [ProgressBook Parent Login](#) . You will need a logon name and password to access your information, plus once you access the logon site, you will need to select the "OCPS2" domain option. "OCPS1" is for elementary schools. To obtain the form you can contact your appropriate grade level office. Once completed, please turn in the form to the appropriate grade level office at Odyssey.
