We ask that all checks contain (either imprinted or hand written)

**YOUR STREET ADDRESS**

**YOUR TELEPHONE NUMBER (EITHER LAND LINE OR CELLULAR) WITH AREA CODE**

Should your check be returned from the bank unpaid, you authorize CheckCare to:

- 1) Convert the original check to either an electronic transaction or a pre-authorized paper demand draft made out to CheckCare and to resubmit it to your bank for payment.
- 2) You authorize CheckCare to debit service charges, bank return fees and collection charges from your account via an electronic transaction or a pre-authorized paper demand draft.
- 3) You authorize CheckCare to attempt to contact you through any telephone number that appears on the deposited returned check, including a cellular telephone number.

By signing your check and delivering it to the school for payment, you are signifying your understanding and acceptance of these terms and conditions.

Also, should you be notified by your bank that a check that you have written to your child's school has not been honored by your bank, we would like for you to contact us immediately. By contacting us as soon as possible, we can work with you to make sure that the non-payment of the check does not result in additional financial burdens for you.
